**** This graphic contains samples of acceptable “Earth Tone” Paint Selections, along with appropriate trim colors (*Found on website: <https://www.vivaxpros.com/painting/exterior-paint-color-selection>*). This sampling of colors is presented to provide guidance and is not determined to be the only colors that would be acceptable. In all cases, when looking to paint your home, you will need to complete and Architectural Improvement Request Form, located on our HOA Portal. Please indicate the colors that you have chosen. Our Architectural Review Board will review your request and either approve your color scheme or provide guidance.**
